Special point of interest:

Did you know?? Listener demand for holiday music in the U.S. usually begins after Thanksgiving. KLRF is airing holiday music now, adding a few more songs each day until it is all holiday music.

Bernice was married for years to Roy, a faithful Christian man who worked in the education department of a Christian denomination. Then Bernice had an unfortunate experience over which she lost her faith. Roy was heart-broken.

One day Bernice found a place that taught Karate. Joining up, she trained and earned two different Karate belts. While there, she also learned about reincarnation and began to embrace a faith based on Eastern religions.

Upon retirement Bernice and Roy moved

to Walla Walla where, unfortunately, Roy soon passed away. Shattered, Bernice decided to follow their plans to move into Wheatland Village Retirement Center.

Not long after losing her husband and moving into Wheatland Village, Bernice's eyesight started failing so she began to listen to the radio.

By chance she came across KLRF Radio station 88.5 fm. She was soon listening daily to what she

called her "beautiful music."

One day she was touched by the song "He Was There All the Time" and gave her heart to Jesus.

Bernice eagerly listened more and more. She even

told her doctor that her visits to him couldn't interfere with her favorite Bible program on KLRF. In time Bernice recon-

ected to her former Christian faith.

Before she passed away Bernice often chuckled about how her husband would be surprised to see her in heaven.

Praise the Lord for your donations that keep KLRF Radio broadcasting to reach souls like Bernice.

Your Requests are Coming True

It takes Teamwork to Grow KLRF Into the Station You Desire

Pastor Owen Bandy, General Manager, KLRF 88.5

We have good news to report!

First of all, thanks to your urging, there is a new website up and running. To visit the site just type klrf.org into your web browser.

Also, you have repeatedly asked for an easy way to make an online donation. Now you can do

that in just two steps:

- 1) Type in klrf.org on your browser.
- 2) Scroll down on the first page under the picture and click on the black button that says "Donate" and follow the prompts.

And finally, over the past six months the KLRF board drafted and

adopted a constitution and bylaws for the station. Often seen as boring and tedious work, this is a necessary part of making KLRF the quality organization you have come to expect.

Many thanks to you and our board members for being such an awesome team!

Your Inside Scoop—Antenna Replacement is a \$22,000 Project

The Corner Where Savvy Donors Stay in the KLRF Loop

You are the first to know—the KLRF board recently voted to replace the four bay antenna and coax cable up on the mountain. The freezing weather on the mountain causes the old antenna to periodically malfunction.

This is what happens:

When the radio signal is sent out the freezing, sluggish antenna becomes overloaded and

bounces the signal back down to the transmitter. The transmitter doesn't like this, so it shuts off. New equipment will solve the problem.

This project will cost \$22,000. We need your help! Please send your donation marked "Equipment" to KLRF Radio, 1200 SE 12th Street, Suite 3, College Place WA or go on the web to klrf.org and click on the

"Donate" button on our home page. Please make a note that it's for "Equipment." Many thanks!!!

Amazing Gift of God Inspires Us to Share His Love

Inspirational thoughts by General Manager Owen Bandy

'Tis the season when the story of the birth of Jesus is thought about, sung about and read about more than any other time. Think about it, Jesus Christ, the Creator of the whole universe took upon Himself the mission of bringing the light of heaven into our dark world.

Why did He do this? Because He wanted us to know about a happy kingdom, away from which humans had been drifting for many centuries. The human race had lost sight of it. We were lost and didn't know how to get back. The Bible tells us that "... the Word was made flesh, and dwelt

among us, and we beheld his glory, the glory as of the only begotten of the Father, full of grace and truth."

God didn't give this important task to an angel but took it upon Himself. Revealing the Glory of a loving Heavenly Father could only be done by one equal to Him. The thought of the incarnation of a loving God into human flesh and being born like us in this world has a subduing power on us. It awakens faith. It strengthens our resolve to love Him back.

So this season listen to the songs and stories that speak of this amazing sacrifice and allow the Savior to come into your heart. Let Him draw you into deeper fellowship with Him. Then go out and be a part of the story yourself.
